program1 : write a java program to print pattern.

```
*
*       *
*       *       *
*       *       *       *
```

program2 : write a java program to print pattern.

```
                *
        *       *
    *       *       *
*       *       *       *
```

program3 : write a java program to print pattern.

```
*       *       *       *
        *       *       *
                *       *
                        *
```

program4 : write a java program to print pattern.

```
*       *       *       *
*       *       *
*       *
*
```
